**Packard Transport, Inc. Renews ISO 9001:2008 Certification**

Channahon, IL, May 29, 2009 – Packard Transport, Inc. is pleased to announce its approval by Det Norske Veritas (DNV) for the latest revision of the ISO 9000 standard, ISO 9001:2008. To achieve this recertification, DNV conducted a two-day audit of the processes and procedures in place at Packard Transport's Channahon, IL office to verify compliance to the ISO standard. Packard has held continuous ISO 9000 certification since 1998.

ISO 9001 is an internationally recognized Quality Management System standard that promotes customer satisfaction through continual improvement of a company's system's effectiveness. Certification to ISO 9001 demonstrates to potential customers an organization's ability to meet their requirements and needs. The ISO 9001 certificate proves the Quality Management System has been measured against the standard and found compliant.

*"Our continuous focus on service excellence is evident through our ISO certification. We place a high value on the quality of the services we provide and this independent certification is proof of that commitment," stated Rex D. Easton, Chairman.*

Packard Transport, Inc., was founded in 1989, and is a nationwide provider of superior freight transportation services. Packard Transport, Inc. utilizes more than 300 qualified independent owner-operators who provide flatbed, step deck and drop deck services to Fortune 500 companies as well as to the Department of Defense. More than 125 independent sales agents represent Packard throughout the nation. Packard Transport, Inc. is proud to be recognized by the U.S. Environmental Protection Agency as a SmartWay<sup>SM</sup> Transport Partner.
