## PACKARD TRANSPORT, INC.

### *The Best Owner-Operator Program*

Packard Transport, Inc. was founded in 1989 with the goal of establishing the finest truckload freight carrier in the U.S. Today, Packard Transport, Inc. is an aggressive nationwide long-haul carrier. Packard takes great pride in treating its owner-operators with the respect they deserve. Packard believes it has one of the best owner-operator programs in the industry.

Packard Transport, Inc.'s fleet of flatbed, drop deck, step deck, vehicle hauler, and van trailers provide service throughout the continental United States, and selected provinces in Canada. Packard's customers include numerous Fortune 500 companies, as well as the Department of Defense. Regularly scheduled shipments, as well as one-time loads, are handled with equal courtesy and efficiency.

Packard Transport, Inc. believes in rewarding its owner-operators for their hard work and commitment to safety. As a result, Packard Transport, Inc. will continue to be a leader in providing nationwide freight transportation services.
