## PACKARD TRANSPORT, INC.

### *The Best Owner-Operator Program*

Packard Transport, Inc. was founded in 1989 with the goal of establishing the finest truckload freight carrier in the U.S. Today, Packard is an aggressive nationwide longhaul carrier.

More than 350 owner-operators and 125 agents represent Packard across the U.S. Our customers include numerous Fortune 500 companies and the Department of Defense. Packard operates three fleets, including flatbed and step deck, van and Canadian. Packard owner-operators provide safe and quality freight transportation services throughout the U.S. as well as selected provinces of Canada.

Packard believes in rewarding its owner-operators for their hard work and commitment to safety. Their hard work helps us continue to be a leader in providing nationwide freight transportation services. We are proud to offer many incentive programs that benefit our owner-operators.

*Specializing in the following freight:  
Air Handling Units, Aluminum, Building Materials,  
Government Freight, Mining Equipment, Truck Bodies*
